Sir,

I have the honor to report that, at present, the pay of the Blacksmith Maistry of the Bangalore Central Jail is Rs.20-1-30 and he is borne on the permanent establishment; whereas the pay of the carpenter Maistry of the same Jail is only Rs.20/- fixed and he is on the temporary list. In view of the fact that the work turned out in carpentry during the years 1908-09 and 1909-10 was Rs.2579/- and Rs.2632/- respectively with a clear profit of Rs.563/- and Rs.413-11-8 respectively and that on enquiry, workmen of his class are paid Rs.30 - Rs.40 per mensem in furniture shops, I strongly recommend to Government to place the carpenter Maistry on the same footing as that of the Blacksmith Maistry, both in his status and pay i. e. he be borne on the permanent establishment of the Bangalore Central Jail with a pay of Rs. 20-1-30 per mensem.

Sir,

With reference to your No.J.2043/Pris.27-10-4 dated the 13th instant, enquiring why the pay of the Blacksmith Maistry of the Bangalore Central Jail should not be reduced, I have the honor to inform you that the pay of the present incumbent of this post is virtually a reduced one. The former incumbent was getting Rs. 30/- per mensem and the present one gets 20-1-30, and the average monthly cost of the latter salary is, under Article 57 (2) of the Civil Account Code, Rs.27-8-0.

2. Taking into consideration what an average blacksmith gets outside and the fact that the present blacksmith was already getting Rs.20/- per mensem in Messrs. Alridge Salmon & Co., and was brought into the Jail from there with promise of betterment of his prospects in Government service, as also the amount of skill-ed work still being done in the Bangalore Central Jail, it will, I think, be unfair to effect a further reduction.

3. I therefore request that His Highness' Government may be moved to kindly see their way to sanction the increased salary to the Carpenter Maistry of the Bangalore Central Jail as proposed in this office No.1298/127-07 dated 8th October 1910, without effecting any reduction in the establishment scale of the Manufacture Department.
